

## **DRAFT ARTISTIC VISION STATEMENT** (as presented at Summer General Meeting)

*Langham's artistic vision is guided by our historic roots, our broad sense of community and the desire for creative exploration. Each new Season, we strive to produce a diverse and balanced selection of plays. As a community theatre with a broad audience and member base, the full canon of theatre is up for any given Season to explore - from the classics to popular theatre to modern experimental works. Above all, our artistic vision is governed by the overarching goals of artistic diversity, vibrancy and balance, and the desire to provide fresh, high-calibre and engaging entertainment for years to come. We provide quality, affordable theatre by the community for the community, and we'd love to have you join us.*

### **Comments received at SGM re: Draft Statement:**

- Perhaps it should mention:
    - the Guilds and opportunities for training, skill development
    - large cast productions / period plays (things that don't get done elsewhere)
    - local works / Canadian content
  - Too long
  - Not unique enough
  - What makes us extraordinary?
  - Mentions balance twice – perhaps delete one of them
-
