

ART SHOWS IN THE LOUNGE

Our hanging system makes multiple hangs very fast and simple, requiring **2-4 hours** depending on the number of artworks.

We provide a designated wall-mounted holder for an **Artist Bio** (8.5" x 11")

An optional corner table is available so you may also display art cards, prints of your works, business cards and/or a portfolio. A guestbook for viewers to comment, to collect orders or email addresses is also encouraged.

Please contact the Art Show Coordinator to discuss and **setup a time to view the space in advance** so you have a full understanding of its uses.
